QUESTIONS AND ANSWERS

Q: In both RFPs, there is a page that asks the applicant to list "County of Somerset Exceptions." What would those entail?

A: The exceptions page is a standard page. This would be where the applicant would list any exceptions to what the RFP requires.

Q: There seems to be some confusion in the application regarding whether the Certificate of Employee Information Report is needed at the time of application. On the RFP Document Checklist (CDBG – p. 20, HOME/HTF – p. 38), under A, it states that the certificate must be submitted but in Exhibit A: Mandatory Equal Employment Opportunity Language (CDBG – p. 25, HOME/HTF – p. 43) of the application, it states that the certificate can be provided after notification of award but prior to execution of goods and services. Please clarify.

A: The Certificate of Employee report is due prior to contract award, which would be at the time the Subgrant Agreement is signed.
