DISCLAIMER:

The Somerset County Division of Solid Waste Management does not endorse any group or company listed in this document. If your company wishes to be added as a resource in this directory please call us at (908) 231-7109, fax your information to us at (908) 707-1749 or email the information to: solidwaste@co.somerset.nj.us and we will be happy to include you.

Explanation

This directory is intended to identify markets to properly dispose and/or recycle materials. Included within is a comprehensive listing of materials and companies which handle them in and around Somerset County. The markets contained in the directory are listed by material accepted. All entities except those noted are located in New Jersey.

Markets offer varying services. Some markets may offer to pick up material while others will only accept drop-off of material.

It is recommended that you call the facility before dropping off any material in case there are specific instructions regarding proper disposal/recycling methods.

PLEASE NOTE: FEES MAY BE CHARGED FOR ANY PICKUP AND/ OR DROP-OFF SERVICES RENDERED.

To find a hauler to pick up recyclables or waste, see page 34.

Aluminum

Aluminum is a lightweight and silver colored metal. It is commonly used to make beverage containers. A magnet will not stick to aluminum.

Markets

Absolute Auto and Truck Salvage	(732) 469-2202	<i>Middlesex</i>
All Container Recovery, Inc.	(732) 752-8823	<i>Piscataway</i>
Beacon Metal Company, Inc.	(732) 727-2300	<i>South Amboy</i>
Central Jersey Recycling	(732) 985-7086	<i>Edison</i>
Colgate Paper Stock Co.	(732) 246-0500	<i>New Brunswick</i>
Dauman Industries	(732) 541-1500	<i>Carteret</i>
Federal Metals & Alloys Co.	(908) 756-0900	<i>South Plainfield</i>
Garden State Recycling	(732) 393-0200	<i>Edison</i>
Importico	(732) 356-3882	<i>Middlesex</i>
Midco Waste Systems	(732) 545-8988	<i>New Brunswick</i>
State Street Recycling	(732) 293-2522	<i>Perth Amboy</i>
Turnpike Recycling Center	(732) 541-4456	<i>Carteret</i>
Klein Metals	(908) 722-2288	<i>Somerville</i>
Longview Waste Systems	(609) 883-1420	<i>Trenton</i>
Northern Environmental Group	(973) 237-0395	<i>Paterson</i>
Pace Scrap Metal and Glass	(201) 432-7983	<i>Jersey City</i>
Somerset Recycling & Auto	(732) 545-5050	<i>Somerset</i>
Wade Environmental Industries	(856) 767-2760	<i>Atco</i>
Connecticut Metals	(203) 268-5909	<i>Monroe, Ct</i>
J & J Waste Management	(908) 629-9270	<i>Elizabeth</i>
Metal Management Northeast	(973) 344-4570	<i>Newark</i>

Antifreeze

Antifreeze is a liquid most commonly used to maintain operating temperatures in vehicle engines. It often contains ethylene glycol which can be poisonous to humans and animals if ingested. Pets are attracted to the sweet taste.

Markets

Clean Harbors Environ. Services	(732) 248-1997/ (800) 782-8805	<i>Edison</i>
Loeffels Waste Oil	(732) 679-5230	<i>Old Bridge</i>
Safety-Kleen	(908) 791-9600	<i>South Plainfield</i>
Clean Venture Inc.	(908) 354-0210	<i>Elizabeth</i>
Ecoflo	(717) 542-3388	<i>York, PA</i>
Key Environmental	(800) 821-9741	<i>Dover</i>
LORCO Petroleum Services	(800) 734-0910	<i>Elizabeth</i>
Radiac Environmental Services	(718) 963-2233	<i>Brooklyn, NY</i>
Clean Venture/Cyc.Chem Inc	(908) 354-0210	<i>Elizabeth</i>

Aseptic Packaging

Aseptic containers (ie. drink boxes) are often a multi-layered box containing a variety of materials such as paper, wax, foil and plastic used to preserve food products.

Markets

Industrial Recycling Services Inc. (973) 426-0406

Budd Lake

Marcas Paper Mills (973) 703-6404

Elmwood Park

Appliances

Discarded appliances are sometimes referred to as white goods, such as refrigerators, washers and dryers. Most of the companies listed below take all different kinds of appliances to recover the metal for recycling. Some appliances contain products that require special handling (i.e. Freon in refrigerators and air conditioners) which may result in a handling charge.

Markets

Absolute Auto and Truck Salvage	(732) 469-2202	<i>Middlesex</i>
Beacon Metal Company, Inc.	(732) 727-2300	<i>South Amboy</i>
Central Jersey Recycling	(732) 985-7086	<i>Edison</i>

Stavola's Quarry	(732) 356-5700	<i>Bridgewater</i>
Weldon Asphalt Co	(908) 233-4444	<i>Westfield</i>

Ballasts

Ballasts, found in lighting fixtures, if manufactured before 1979 can contain PCB's (polychlorinated biphenyls) - a hazardous substance regulated by the US EPA. Ballasts that DO NOT have the labels "NON-PCB" usually must be managed assuming PCB's are present. Ballast manufactured between 1979 and 1988 may contain a toxic substance called DEHP (diethylhexylphthalate) also regulated by the US EPA. Waste ballasts must be managed properly according to all applicable Federal, State and local regulations.

Markets

Clean Harbors Environ. Services	(732) 248-1997 or (800) 782-8805	<i>Edison</i>
Safety-Kleen	(908) 791-9600	<i>South Plainfield</i>

Plastics #1 and #2

PET (Polyethylene Terephthalate), which is Code #1 is used to make soda, juice and water bottles. When PET gets collected, it will either be used in the production of new soda bottles or in the production of other petroleum based products such as textiles, insulation (for sleeping bags), cushioning for futons and other fiber based products.

HDPE (High Density Polyethylene), Code # 2. is used to make laundry containers, milk bottles, water bottles and other bottle types. There are two types of HDPE: Natural and Colored. The HDPE Natural is usually used for milk and water containers while the HDPE Colored is usually used for laundry bottles.

Polystyrene

This is Code #6 plastic material or polystyrene. It comes in two forms: one of which is hard and used in containers called rigid polystyrene and the other form is a lightweight packing material known as expanded polystyrene and is known as Styrofoam in the trade. Both of these forms are lightweight, white or clear but they can also be colored to add variety.
