P.L. 2018, c. 127 establishes a prompt payment requirement that applies to goods and services contracts a contracting unit awards to a “business concern” under the Local Public Contracts Law (LPCL). The law applies to all goods and services contracts awarded on or after February 1, 2019 (the law’s effective date)

regardless of dollar amount and any contracts requiring either a single payment or multiple payments. The law does not change the prompt payment requirements for improvements to real property and structures as set forth in N.J.S.A. 2A:30A-1 et seq. and described in LFN 2006-21. The law defines "Business Concern" as any person engaged in a trade or business, including a private nonprofit entity operating as an independent contractor, providing goods and services directly to a contracting unit or to a designated third party and operating pursuant to a contract with a contracting unit which requires either a single payment or multiple payments, but shall not include a "public utility" as defined in N.J.S.A. 48:2.13.

In the event the original contractor cannot meet this requirement, the owner may solicit the goods and/or services from any bidder on this contract.

2.10 Multiple Proposals Not Accepted

More than one proposal from an individual, a firm or partnership, a corporation or association under the same or different names shall not be considered.

2.11 Subcontractors

The owner will consider the primary contractor to be the sole point of contact with regard to contract matters. The primary contractor will be required to assume sole responsibility for delivery of all services.

2.11.1 Use of Sub-consultants

Respondent may find it advantageous to include sub-consultants in their proposal. Such an arrangement is acceptable provided that the relationship between firms is clearly defined and the method of maintaining proper project management and oversight is described within the proposal. The use of sub-consultants is left to the discretion of respondent, provided that the criteria of adequate capability in all areas of the scope of work is met. Any sub-consultants must be identified in the same manner as the primary consultant.

2.12 Failure to Enter Contract

Should the respondent, to whom the contract is awarded, fail to enter into a contract within ten (10) days, Sundays and holidays excepted, the owner may then, at its option, accept the proposal of another respondent.

2.13 Commencement of Work

The contractor agrees to commence work after the date of award by the owner and upon notice from the using department.

2.14 Time of Completion

It is hereby understood and mutually agreed, by and between the respondent and the owner, that the date on which the work shall be substantially complete as specified in the RFP is an essential condition of this contract. It is further mutually understood and agreed that the work and contract time embraced in this Contract shall commence on the date specified and that the resulting contract shall be completed in sequence and time frames identified by the owner.

The respondent agrees that said services shall be processed regularly, diligently, and uninterruptedly at such rate of progress as will ensure full completion thereof within the time specified. It is expressly understood and agreed, by and between the respondent and the owner, that the time of completion of the services described herein is a reasonable time for the completion of it.

2.15 Termination of Contract

If, through any cause, the contractor shall fail to fulfill in a timely and proper manner obligations under the Contract or if the contractor violates any requirements of the Contract, the owner shall thereupon have the right to terminate the Contract by giving written notice to the contractor of such termination at least thirty (30) days prior to the proposed effective date of the termination. Such termination shall relieve the owner of any obligation for the balances to the contractor of any sum or sums set forth in the Contract.

The contractor agrees to indemnify and hold the owner harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the Contract by the owner under this provision.

In case of default by the contractor, the owner may procure the articles or services from other sources and hold the contractor responsible for any excess cost occasioned thereby.

2.16 Non-Allocation of Funding Termination

Each fiscal year payment obligation of the Owner is conditioned upon the availability of Owner funds appropriated or allocated for the payment of such an obligation. If funds are not allocated and available for the continuance of any services performed by the Contractor hereunder, whether in whole or in part, the Owner at the end of any particular fiscal year may terminate such services. The Owner will notify the Contractor in writing immediately of any services that will be affected by a shortage of appropriated funds. This provision shall not be construed so as to permit the Owner to terminate this Agreement during the term, or any service hereunder, merely in order to acquire identical services from a third party contractor.

2.17 Force Majeure

Neither party shall be responsible for any resulting loss or obligation to fulfill duties as specified in any of the terms or provisions of this Agreement if the fulfillment of any term or provision of this Agreement is delayed or prevented by any revolutions, insurrections, riots, wars, acts of enemies, national emergencies, strikes, floods, fires, acts of God, or by any cause not within the control of the party whose performance is interfered with which by the exercise of reasonable diligence such party is unable to prevent. Additionally, if the fulfillment of any of the terms and provisions of this Agreement is delayed or prevented by any court order, or action or injunction or other such agreement, this Agreement shall become voidable by the County of Somerset by notice to each party.

2.18 The owner and the Contractor each bind themselves and their successors, executors, administrators, heirs and assigns and legal representatives of the other party respecting all covenants and agreements and obligations of this contract.

2.19 The terms of this contract shall be construed and interpreted, and all respective rights and duties of the parties shall be governed by the laws of the State of New Jersey.

2.20 Challenge of Specifications

Any respondent who wishes to challenge a specification shall file such challenge in writing with the Purchasing Agent no less than three (3) business days prior to the opening of the RFP's.

Challenges filed after that time shall be considered void and having no impact on the owner or the award of contract.

2.21 Payment

Invoices shall be submitted monthly and must specify, in detail, the period for which payment is claimed, the services performed during the prescribed period, the amount claimed and correlation between the services claimed, all backup documentation (mileage, time logs, receipts for expenses, etc.), amount remaining in total balance, and the Proposal Cost Form.

The owner may withhold all or partial payments on account of subsequently discovered evidence including but not limited to the following:

- 1 Deliverables not complying with the project specification;
- 2 Claims filed or responsible evidence indicating probability of filing claims;
- 3 A reasonable doubt that the Contract can be completed for the balance then unpaid.

When the above grounds are removed, payment shall be made for amounts withheld because of them.

Invoices shall specify, in detail, the period for which payment is claimed, the services performed during the prescribed period, the amount claimed and correlation between the services claimed and the Proposal Cost Form.

2.22 Non-payment of Penalties and Interest on Overdue Bills

Public funds may be used to pay only for goods delivered or services rendered. Somerset County will not pay penalties and/or interest on overdue bills. No employee is authorized to sign a letter of credit or any other document that represents a legal commitment on the part of the SCIA to pay additional fees.

2.23 Ownership of Material

The owner shall retain all of its rights and interest in any and all documents and property both hard copy and digital furnished by the owner to the contractor for the purpose of assisting the contractor in the performance of this contract. All such items shall be returned immediately to the owner at the expiration or termination of the contract or completion of any related services, pursuant thereto, whichever comes first. None of the documents and/or property shall, without the written consent of the owner, be disclosed to others or used by the contractor or permitted by the contractor to be used by their parties at any time except in the performance of the resulting contract.

Ownership of all data, materials and documentation originated and prepared for the owner pursuant to this contract shall belong exclusively to the owner.
