

COUNTY OF SOMERSET

Local Concept Development Study for Bridge No. K0607 New Brunswick Road over Al's Brook Franklin Township, Somerset County, NJ

Public Information Center Notice

Somerset County, in cooperation with the North Jersey Transportation Planning Authority, the New Jersey Department of Transportation, and the Federal Highway Administration, will be hosting a Public Information Center to inform local residents, officials, businesses and the general public of the status of the Local Concept Development Study for Bridge No. K0607 which carries New Brunswick Road over Al's Brook in Franklin Township.

The purpose of this second Public Information Center is to inform the public of the project's progress to date, its purpose and need, and to solicit public input/comments relating to the alternatives developed as part of this concept study phase. This meeting is being conducted in conformance with Federal and State regulations. The public is invited and encouraged to attend this open house, review the displays, ask questions and provide comments. County and support staff will be available to answer any questions throughout the scheduled time period. Therefore, please attend at a time that is convenient for you.
