

# Please tell us about your senior center experience!

Dear Sir, MADAME,  
I retired in 2010 after  
working for 41 years + after  
3 months of wondering what to  
do. I joined the Senior Center by  
eating lunch with the group, joining  
the stretch + Flt exercise + also  
watching the shows like Elvis, St  
Patrick's Irish Dancers + Flower  
Arrangement.  
I also joined the Zumba 2x a  
week + I loved it. I used to have back pain  
after my accident in 2004, now I  
have no pain because of those exercises  
that I joined + I also developed  
muscles + I look healthier now.  
I also appreciate all  
the crew + kousha for their  
good work.  
Thank you

The staff are so caring and happy around us. Food is good, I appreciate the low-sodium and low fat meals. We have good programs, exercise for 45 mins twice a week (3 days a week would be good too). We have a regulation pool table, game room for Mah Jongg, Halooki cornasta, rummy cube, etc. This is the best run Center I have ever been in. Our Center is always decorated for every holiday, very clean and friendly.

This Center is a great place to visit. M &

Q If the Center had better signage I am sure our Center would be better attended. P.S. Many people do not know it is here.

The senior center I go to is welcoming, interesting and fun. It offers educational programs that keep me alert and current. A wonderful place to meet new people, learn new skills and exercise. It has classes like stretch & flex, zumba and some computer usage. It always has guest speakers and some wonderful music and entertainment for all the holidays. I look forward to my days at the center as it keeps me social, connected and widens my horizons and creativity. The staff are helpful, cheerful and very caring. I have made some new friends. STAYING SOCIAL IS A BIG PLUS. Wonderful Staff is part of the great experience. They are the greatest. I look forward to be with KRISTEN, BRENDA, KIM, TONI AND TREVOR, AND ALL THE SENIORS THAT COME.

It's a relaxing experience to enter this new building every Wednesday. I started with Senior Center on Olcott Lane several years ago. I also enjoy the many programs that are provided for us cooperative seniors. I like the huge room we can associate with all people. The lunches are ~~nutritious~~ nutritious, nourishing (The Soup should see "hot") --

I appreciate the bus transportation. It's nice to have a place we can go to and meet new people. Thank you. And I thank you to the staff
