EXPLANATORY STATEMENT BUDGET MESSAGE

In 1990 the Legislature of the State of New Jersey passed and the Governor signed into law Chapter 89, Public Law of 1990 which revised the Cap calculations for municipalities and counties. Chapter 62 of 2007 modified the cap calculations to say that the caps are now done on a base cap formula, a levy cap formula & an appropriations formula. All three are shown as part of this budget package.

The basis for the 2019 base formula remains the same.

The base formula calculations are summarized as follows:

1) Addition to previous years adjusted tax rate at a percentage promulgated by the State:

2.5%

2) Taxes on the value of new construction which occurred during the previously year.

Added

 Designation of certain appropriations to be outside the Cap meaning that increases are added to the adjusted tax base. These appropriations for Somerset include the following:

*Debt Service Outside
*Capital Improvements Outside
*Board of Social Services Costs Outside
*County College Appropriations Outside
over 1992 base
*Match for grants Outside
*Deferred/Emergency Outside
