## COVID-19 Vaccination

Everyone who lives, works, or studies in New Jersey, ages 5+ are eligible to be vaccinated. At this time, only the Pfizer vaccine is authorized for individuals 5-17. Minors must be accompanied by an adult and have parent/guardian consent. Individuals must be 18 years or older to receive the Moderna and Johnson & Johnson vaccine.

Everyone interested in receiving the COVID-19 vaccine at a Somerset County vaccination clinic, can register in the New Jersey Vaccination Registration System (NJVSS) at: <https://covidvaccine.nj.gov/>. Appointments are strongly encouraged, however, walk-ins will be accepted.

Third (additional) doses of Pfizer and Moderna COVID-19 vaccines are currently only available for moderately or severely immunocompromised individuals. Booster doses of the Pfizer-BioNTech and Moderna COVID-19 vaccines are currently being offered to certain eligible populations who have completed their primary series at least six (6) or more months ago. Johnson & Johnson COVID-19 booster doses are available to individuals 18 years and older who have completed their initial vaccination at least 2 months ago.

### Find a COVID-19 Vaccine

- Search for available vaccine appointments at locations across NJ: <https://covid19.nj.gov/pages/finder>.
- To find a COVID-19 vaccine near you:
  - Search [vaccines.gov](https://vaccines.gov)
  - Text your ZIP code to 438829
  - Call 1-800-232-0233

### NJ COVID-19 Hotline

- Anyone who does not have internet access, or needs assistance can call the New Jersey COVID-19 vaccine call center at **855-568-0545**. The NJ Vaccination Call Center hotline is open from 8:00 AM – 8:00 PM every day to help register individuals, answer questions about the vaccine & check registration status.
- If you are 65 or older, you can call a special senior hotline, **856-249-7007** from 8 am to 8 pm for vaccination scheduling support.
- For issues related to COVID-19 vaccine registration, NJVSS has a feedback form at <https://covid19.nj.gov/forms/vaccine/vss-feedback>

### Transportation Options

- Free, public transportation transit options to and from vaccine locations through [VAXRIDE initiative](#) from NJ TRANSIT
- [NJ 211 is offering free rides to and from vaccination sites in partnership with United Way Worldwide and Lyft](#). Rides are available wherever Lyft operates in New Jersey.
