

THOMAS R. EVERETT 

Thomas Everett was the owner and operator of Everett's Farm and Market in Hillsborough Township, now run by his son. He was the first ever chairman of the Somerset County Agriculture Development Board, a title he held for twenty-two years until his passing in 2005. Tom, along with the Board, worked tirelessly to ensure farmers were paid fairly for their development rights; and gathered resources to help farmers in Somerset County continue their farming efforts. The work done in the early days of preservation still impact the program today – without Tom and the work done by the SCADB, we would not see the successes in preservation that we do today.
