

CENTRAL JERSEY HOUSING RESOURCE CENTER (CJHRC)

FREE HOUSING COUNSELING PROGRAMS/SERVICES

Somerset County NJ was just ranked as the #1 County in all of NJ to live in. We are grateful to be located in Somerville NJ and for all the wonderful services and programs that exist in Somerset County. Central Jersey Housing Resource Center (CJHRC) is a HUD certified non-profit agency that has been providing **FREE** housing counseling programs and services to assist households with their housing and financial goals for over 35 years.

Housing (both rental and to purchase) is difficult to find in our area of NJ due to the demand and low vacancy rate. CJHRC staff is proud of services we provide to help individuals and households learn about the different housing options, programs and application process/documentation required.
