

# CRAFT and Family Support Services

This workshop will discuss how family support services benefit families having a loved one with substance use disorder (SUD) the origins and methods of Community Reinforcement and Family Training (CRAFT) and how CRAFT is used to help families support their own well-being while encouraging their loved one to reduce their substance use and to engage in treatment.

## PRESENTERS:

### **Pamela Bianco, B.S., CPRS**

Sharing the Hope Family Support Center Advocate

### **Rocky Schwartz, B.S., CPRS**

Sharing the Hope Family Support Center Coordinator

**TUESDAY**

**September 19, 2023**
