What is Pre-Apprenticeship?

Are you out of high school and looking for a new direction? Do you have a job and are looking for a different career? Discover if the PACE Pre-Apprenticeship is for you. Individuals that participate in pre-apprenticeships move quicker into entry level jobs in welding and construction settings. In addition, a pre-apprenticeship is a short term training that provides a pathway to apprenticeship opportunities.

The Benefits

- Get paid to learn new skills.
- Training is free and participants will be paid while attending classes.
- Receive theory and meaningful hands-on career training.
- Support services available:
 - Transportation
 - Childcare
 - Mentoring
 - ELL Tutoring
- Job Internship
- Potential Career

Is this Right for Me?

- If you are 16 years of age and older
- Interested in learning a skill related to:
 - Heating, Ventilation, and Air Conditioning (HVAC)
 - Electrical
 - Plumbing
 - Carpentry
 - Welding
