

CALLING ALL WOMEN OF SOUTH ASIAN HERITAGE

JOIN OUR RESEARCH STUDY ON BREAST CANCER

CALL: 732-427-1185 / 848-327-4517 EMAIL: saqhe@sph.rutgers.edu

Join our efforts to help decrease the burden of breast cancer among South Asian women.

We invite you to take part in a research study on breast cancer in women of South Asian origin conducted by Rutgers School of Public Health and Rutgers Cancer Institute of New Jersey.

PURPOSE:

- ✓ The overall purpose of the study is to learn about breast cancer in South Asian women.
- ✓ The study represents the first step in studying the causes of aggressive breast cancer, as well as factors affecting survival and quality of life after breast cancer diagnosis among South Asian women.

ELIGIBILITY:

- ✓ South Asian women aged 21 years or above who received a diagnosis of breast cancer in New Jersey.

WHAT:

- ✓ Participation in this study involves a one-time **2-hour interview via zoom or in-person at Rutgers School of Public Health, and optional participation** in biospecimen components.

YOU WILL RECEIVE:

- ✓ Up to \$140 in e-gift cards (\$75 e-gift card for completing the interview, \$25 e-gift card for participating in the saliva sample component, and \$40 e-gift card for participating in the stool sample component)
