

# CERTIFIED CLINICAL MEDICAL ASSISTANT (CCMA)

**OPEN ENROLLMENT**

**THERE ARE NO CHARGES OR FEES FOR ELIGIBLE CANDIDATES.**

**TRAINING AND OPPORTUNITY FOR EMPLOYMENT**

Training for Eligible Unemployed Individuals through a grant from the New Jersey Department of Labor and Workforce Development Opportunity Partnership Grant Program

Our Certified Clinical Medical Assistant (CCMA) program trains students to assist healthcare professionals by performing functions related to the clinical and administrative responsibilities of a medical office. We have designed a 500- hour curriculum includes 350-hours classroom and hands on and 150-hours clinical externship. Throughout the tenure of the program, students are prepared for employment in the doctor offices, urgent care, nursing home, ambulatory medical facilities and other healthcare facilities.

At the end of the program, students will have the opportunity to complete the CCMA certificate from National Healthcareer Association (NHA) and American Medical Certification Association (AMCA).

**We offer new batch every alternate Monday.  
Please contact us for eligibility and availability.**
