## Your New Apartment Home Will Be A LEED® Certified, ENERGY STAR® Home!

LEED-Certified homes are healthier places to live, produce lower utility bills, have better air quality and leave a smaller environmental footprint behind. Leadership in Energy and Environmental Design (LEED) is a rating system devised by the United States Green Building Council (USGBC) to evaluate the environmental performance of a building and encourage market transformation towards sustainable design.

For more information on LEED please visit [usgbc.org](http://usgbc.org)  
Ask your leasing consultant for a complete LEED checklist!

LEED Certified for clean, cost efficient apartment living.
