**Franklin Families count on us. *We count on our Ambassadors.***

These monthly recurring donations help us immensely, from supporting our innovative programming to keeping the lights on!

**Did you know?** By becoming an Ambassador you're choosing to invest back into our growing community and helping to promote our shared values. We believe that by providing access to food and services we are also contributing to a healthier and happier community.

**WE ASKED OUR MONTHLY DONORS,  
WHY ARE YOU AN AMBASSADOR? HERE'S WHAT SOME HAD TO SAY...**

As a resident of Franklin Township I feel like it's part of my responsibility to love the community. Knowing how much the Franklin Food Bank loves the community, I donate to help them continue to do amazing work.

The Franklin Food Bank has become our happy place since we retired.

The small monthly donation is factored into our budget and we see the impact every week when we join the fabulous team in service to our neighbors.
