**FRIDAY**

**OCTOBER 25, 2024**

**10:00 AM–12:00 PM (2 HOURS)**

This virtual training will address the importance of discussing topics related to prejudice and discrimination in the classroom. Participants will explore guidelines for discussing sensitive topics, how to manage conflict, and pedagogical tools that facilitate critical thinking. Participants will also learn how the NJ Law Against Discrimination protects students and educators from biased-based harassment and discrimination.

*Open to anyone who support youth, students or families.*
