

SOMERSET COUNTY
OFFICE OF YOUTH SERVICES AND SAFE+SOUND

Human Trafficking and Children Recognizing and Preventing the Trafficking of Minors

PRESENTER

Victor M. Peralta Jr.
Somerset Outreach and Community
Engagement Manager, Safe+Sound

Victor has over 20 years of outreach and program administration experience in social service organizations. He has supported and partnered with a variety of populations including domestic violence and human trafficking survivors, disaster victims, and the chronically homeless. Victor currently serves on the Outreach and Legislation committees of the NJ Coalition Against Human Trafficking.

Gerry Montague at gmontague@co.somerset.nj.us

Number of professional development credits provided: 2.0 PD

This workshop will provide an overview of human trafficking in New Jersey and how it impacts children. Participants will learn how to recognize warning signs of victimization and recruitment, and ways to support someone in crisis. The program will conclude with a discussion about the increased trafficking risk as NJ hosts the 2026 World Cup and how we can work collectively to increase our county's ability to identify and prevent human trafficking.
