

What services are available to me?

The mission of the Somerset County Department of Human Services is to improve the quality of life of all county residents by promoting the economic, social, emotional, physical, and mental well-being and safety of residents and communities.

Through our ten divisions, we provide numerous programs and services designed to connect individuals and families the help they need for economic and health challenges.

Use this guide as a starting point for your own research and reference.

The Department of Human Services is here to help you or someone you know navigate our system.
