Do you approve amending the Constitution to allow veterans' organizations to use money collected from existing games of chance to support their organizations? INTERPRETIVE STATEMENT This amendment to the Constitution would allow veterans' organizations to use the money collected from existing games of chance (such as bingo, lotto or raffles) to support their organizations. Cost of living increases would be added each year. Also, if the federal minimum wage rate is raised above the State rate, the State rate would be raised to match the federal rate. Future cost of living increases then would be added to that raised rate.	Shall the Township Committee of the Township of Hillsborough modify and expand the uses and purposes of the Open Space Trust Fund to allow for not more than 20% of the Open Space Trust Fund tax collected in any one year to be utilized for the development and/or improvement of park and recreation facilities that are located on property within the open space and park inventory for recreation, conservation and general open space purposes? INTERPRETIVE STATEMENT A yes vote will enable the Township of Hillsborough to appropriate up to 20% of funds collected in 2014 and thereafter from the Open Space Fund for the development and/or improvement of Park and Recreation Facilities on Township-owned property or property that has been purchased with proceeds from the Open Space Fund. A yes vote will not impact the existing balance of the Open Space Fund and will not raise the Township's open space tax. A yes vote does not mandate improvements be made but allows for the appropriation of funds for development or improvements.

Do you approve amending the Constitution to allow veterans' organizations to use money collected from existing games of chance to support their organizations? INTERPRETIVE STATEMENT This amendment to the Constitution would allow veterans' organizations to use the money collected from existing games of chance (such as bingo, lotto or raffles) to support their organizations. At present, the Constitution allows this money to be used only for educational, charitable, patriotic, religious or public-spirited purposes. Currently, only senior citizen groups may use the money they collect from existing games of chance to support their groups.	Do you approve amending the State Constitution to set a State minimum wage rate of at least \$8.25 per hour? The amendment also requires annual increases in that rate if there are annual increases in the cost of living. INTERPRETIVE STATEMENT This amendment to the State Constitution sets the State minimum wage at the level in effect under current law, or \$8.25 per hour, whichever is more. Cost of living increases would be added each year. Also, if the federal minimum wage rate is raised above the State rate, the State rate would be raised to match the federal rate. PUBLIC QUESTIONS TO BE VOTED UPON

STATE PUBLIC QUESTION No. 1 CONSTITUTIONAL AMENDMENT TO PERMIT MONEY FROM EXISTING GAMES OF CHANCE TO SUPPORT VETERANS' ORGANIZATIONS	STATE PUBLIC QUESTION No. 2 CONSTITUTIONAL AMENDMENT TO SET A STATE MINIMUM WAGE WITH ANNUAL COST OF LIVING INCREASES	BOROUGH OF PEAPACK AND GLADSTONE MUNICIPAL PUBLIC QUESTION
<p>Do you approve amending the Constitution to allow veterans' organizations to use money collected from existing games of chance to support their organizations?</p> <p>INTERPRETIVE STATEMENT This amendment to the Constitution would allow veterans' organizations to use the money collected from existing games of chance (such as bingo, lotto or raffles) to support their organizations. At present, the Constitution allows this money to be used only for educational, charitable, patriotic, religious or public-spirited purposes. Currently, only senior citizen groups may use the money they collect from existing games of chance to support their groups.</p>	<p>Do you approve amending the State Constitution to set a State minimum wage rate of at least \$8.25 per hour? The amendment also requires annual increases in that rate if there are annual increases in the cost of living.</p> <p>INTERPRETIVE STATEMENT This amendment to the State Constitution sets the State minimum wage at the level in effect under current law, or \$8.25 per hour, whichever is more. Cost of living increases would be added each year. Also, if the federal minimum wage rate is raised above the State rate, the State rate would be raised to match the federal rate. Future cost of living increases then would be added to that raised rate.</p>	<p>Shall the Borough of Peapack-Gladstone amend its ordinance (Section 3-3.1 of the Revised General Ordinances) governing the Open Space, Recreation, Farmland and Historic Preservation Trust Fund (the "Fund") to clarify the purposes for which monies from the "Fund" can be used, to include the following purposes, as defined in N.J.S.A. 40:12-15.7:</p> <p>(a) acquisition of lands for recreation and conservation purposes; (b) development of lands acquired for recreation and conservation purposes; (c) maintenance of lands acquired for recreation and conservation purposes; (d) acquisition of farmland for farmland preservation purposes; (e) historic preservation of historic properties, structures, facilities, sites, areas, or objects, and the acquisition of such properties, structures, facilities, sites, areas, or objects for historic preservation purposes; (f) payment of debt service on indebtedness issued or incurred by the municipality for any of the purposes set forth in subparagraph (a), (b), (d) or (e) of this paragraph.</p> <p>INTERPRETIVE STATEMENT The residents of the Borough of Peapack and Gladstone voted by referendum in 1998 to establish the Fund, and later, in 2002, to increase the tax dedicated to the support of the Fund. These choices were enacted and codified by the Borough Council. The purpose of this referendum is to clarify the uses for the existing Fund, so as to conform to the language of the governing state statute and to avoid in the future potential controversy regarding the lawful uses of the Fund. This referendum does not seek to change the tax levy, which is three cents (\$0.03) per one hundred dollars (\$100.00) of assessed real property value. A "yes" vote on this question would make clear that the Fund could be used by the Borough of Peapack and Gladstone to maintain, improve, develop or acquire land for recreation and conservation purposes; acquire farmland for farmland preservation purposes; acquire and preserve historic properties, structures, facilities, sites, areas or objects; and pay debt service on indebtedness issued or incurred by the Borough for any of these purposes. A "no" vote would not affect the existence of the Fund, but would continue to allow the Borough to use the Fund as it has historically been used - namely, for the purpose of acquisition, development and maintenance of land for the purpose of preserving open space, conservation, recreation, farmland preservation and historic preservation, but would not</p>
