PUBLIC QUESTIONS TO BE VOTED UPON

STATE PUBLIC QUESTION No. 1 BUILDING OUR FUTURE BOND ACT	STATE PUBLIC QUESTION No. 2 CONSTITUTIONAL AMENDMENT ALLOWING CONTRIBUTIONS TO BE TAKEN FROM JUSTICES' AND JUDGES' SALARIES FOR THEIR EMPLOYEE BENEFITS	TOWNSHIP OF BEDMINSTER MUNICIPAL PUBLIC QUESTION
<p>Do you approve the "Building Our Future Bond Act"? This bond act authorizes the State to issue bonds in the aggregate principal amount of \$750 million to provide matching grants to New Jersey's colleges and universities. Money from the grants will be used to build, equip and expand higher education facilities for the purpose of increasing academic capacity.</p> <p>INTERPRETIVE STATEMENT Approval of this act will allow the State to issue bonds in the total principal amount of \$750 million. Proceeds from the bonds will be used to provide grants to New Jersey's public and private colleges and universities to construct and equip higher education buildings to increase academic capacity. Bond proceeds will be allocated as follows: * \$300 million for public research universities; * \$247.5 million for State colleges and other State universities; * \$150 million for county colleges; and * \$52.5 million for private institutions with an endowment of \$1 billion or less.</p> <p>Public and private colleges and universities which receive grants will be required to provide funds to support 25% of a project.</p>	<p>Do you approve an amendment to the New Jersey Constitution, as agreed to by the Legislature, to allow contributions set by law to be taken from the salaries of Supreme Court Justices and Superior Court Judges for their employee benefits?</p> <p>INTERPRETIVE STATEMENT This amendment clarifies the Legislature's authority to pass laws requiring contributions be taken from the salaries of Supreme Court Justices and Superior Court Judges for their employee benefits. These benefits include their pension and health care coverage.</p> <p>The amendment responds to a question raised in a 2011 lawsuit filed by a judge after the Legislature passed and the Governor signed into law P.L.2011, c.78. That law increased the contributions taken from current and future justices' and judges' salaries for their benefits, starting in October 2011. The lawsuit, which was appealed to the New Jersey Supreme Court, argued against taking the higher contributions from currently appointed justices and judges, citing language in the Constitution that their salaries cannot be reduced during their appointed terms.</p> <p>The amendment clarifies that such contributions, set by law, may be taken from justices' and judges' salaries during their terms. It would also allow for the higher contributions set by P.L.2011, c.78 to be deducted from current and future justices' and judges' salaries.</p>	<p>Shall the Township Committee of the Township of Bedminster adopt an ordinance amending the Ordinance Section 15-2 Open Space Trust Fund tax to permit the use of the levied funds for the maintenance of lands acquired for recreation and conservation purposes owned by the Township, not to exceed twenty (20%) percent of the amount levied each year?</p> <p>INTERPRETIVE STATEMENT The Township's Open Space Trust Fund at Ordinance Section 15-2 is currently used to acquire land, easements, development rights or other interests in real estate for the purpose of preserving open space. The Open Space Trust Fund tax may not exceed two cents (\$0.02) per one hundred dollars (\$100.00) of assessed value. The Township presently incurs expenses for the regular maintenance of its lands acquired for recreation and conservation purposes, including, without limitation, habitat maintenance, tree planting, replacement of diseased or dead trees, brush trimming, signage, trail creation and maintenance, pond/stream bank restoration, pond dredging, fencing, and easement monitoring. This proposed amendment would permit the Township to utilize the Township's Open Space Trust Fund to pay for such maintenance expenses, not to exceed twenty (20%) percent of the amount levied each year.</p> <p>A "Yes" vote on the above question means that you <u>do</u> want the Township Committee to add a new permitted use of the Township's Open Space Trust Fund tax to include the maintenance of lands acquired for recreation and conservation purposes, owned by the Township.</p> <p>A "No" vote on the above question means that you <u>do not</u> want the Township Committee to utilize the Township's Open Space Trust Fund tax towards the maintenance costs for lands acquired for recreation and conservation purposes, owned by the Township.</p>

It is anticipated that approximately \$200,000 of this amount will come from funds that are currently in the Borough Open Space Trust Fund. Those bonds or bond anticipation notes will be paid down using Borough Open Space Trust Funds collected in future years. Any anticipated tax increase required to fund the projects will be outside the 2% CAP. If this question is approved by the voters, the governing body will authorize the debt in a fiscally responsible manner which will minimize the impact on taxes, while allowing the project to be completed on a timely basis. The governing body will initially use the 2010 Pavement Rating/Road Reconstructions Costs Study, prepared by the Borough Engineer, as updated, to determine the specific projects that will be undertaken, however, no final decisions will be made until public hearings have been held and the governing body has received input from the residents of the Borough.</p>

PUBLIC QUESTIONS TO BE VOTED UPON

STATE PUBLIC QUESTION No. 1 BUILDING OUR FUTURE BOND ACT	STATE PUBLIC QUESTION No. 2 CONSTITUTIONAL AMENDMENT ALLOWING CONTRIBUTIONS TO BE TAKEN FROM JUSTICES' AND JUDGES' SALARIES FOR THEIR EMPLOYEE BENEFITS
<p>Do you approve the "Building Our Future Bond Act"? This bond act authorizes the State to issue bonds in the aggregate principal amount of \$750 million to provide matching grants to New Jersey's colleges and universities. Money from the grants will be used to build, equip and expand higher education facilities for the purpose of increasing academic capacity.</p> <p>INTERPRETIVE STATEMENT Approval of this act will allow the State to issue bonds in the total principal amount of \$750 million. Proceeds from the bonds will be used to provide grants to New Jersey's public and private colleges and universities to construct and equip higher education buildings to increase academic capacity. Bond proceeds will be allocated as follows: * \$300 million for public research universities; * \$247.5 million for State colleges and other State universities; * \$150 million for county colleges; and * \$52.5 million for private institutions with an endowment of \$1 billion or less.</p> <p>Public and private colleges and universities which receive grants will be required to provide funds to support 25% of a project.</p>	<p>Do you approve an amendment to the New Jersey Constitution, as agreed to by the Legislature, to allow contributions set by law to be taken from the salaries of Supreme Court Justices and Superior Court Judges for their employee benefits?</p> <p>INTERPRETIVE STATEMENT This amendment clarifies the Legislature's authority to pass laws requiring contributions be taken from the salaries of Supreme Court Justices and Superior Court Judges for their employee benefits. These benefits include their pension and health care coverage.</p> <p>The amendment responds to a question raised in a 2011 lawsuit filed by a judge after the Legislature passed and the Governor signed into law P.L.2011, c.78. That law increased the contributions taken from current and future justices' and judges' salaries for their benefits, starting in October 2011. The lawsuit, which was appealed to the New Jersey Supreme Court, argued against taking the higher contributions from currently appointed justices and judges, citing language in the Constitution that their salaries cannot be reduced during their appointed terms.</p> <p>The amendment clarifies that such contributions, set by law, may be taken from justices' and judges' salaries during their terms. It would also allow for the higher contributions set by P.L.2011, c.78 to be deducted from current and future justices' and judges' salaries.</p>

PUBLIC QUESTIONS TO BE VOTED UPON

STATE PUBLIC QUESTION No. 1 BUILDING OUR FUTURE BOND ACT	STATE PUBLIC QUESTION No. 2 CONSTITUTIONAL AMENDMENT ALLOWING CONTRIBUTIONS TO BE TAKEN FROM JUSTICES' AND JUDGES' SALARIES FOR THEIR EMPLOYEE BENEFITS
<p>Do you approve the "Building Our Future Bond Act"? This bond act authorizes the State to issue bonds in the aggregate principal amount of \$750 million to provide matching grants to New Jersey's colleges and universities. Money from the grants will be used to build, equip and expand higher education facilities for the purpose of increasing academic capacity.</p> <p>INTERPRETIVE STATEMENT Approval of this act will allow the State to issue bonds in the total principal amount of \$750 million. Proceeds from the bonds will be used to provide grants to New Jersey's public and private colleges and universities to construct and equip higher education buildings to increase academic capacity. Bond proceeds will be allocated as follows: * \$300 million for public research universities; * \$247.5 million for State colleges and other State universities; * \$150 million for county colleges; and * \$52.5 million for private institutions with an endowment of \$1 billion or less.</p> <p>Public and private colleges and universities which receive grants will be required to provide funds to support 25% of a project.</p>	<p>Do you approve an amendment to the New Jersey Constitution, as agreed to by the Legislature, to allow contributions set by law to be taken from the salaries of Supreme Court Justices and Superior Court Judges for their employee benefits?</p> <p>INTERPRETIVE STATEMENT This amendment clarifies the Legislature's authority to pass laws requiring contributions be taken from the salaries of Supreme Court Justices and Superior Court Judges for their employee benefits. These benefits include their pension and health care coverage.</p> <p>The amendment responds to a question raised in a 2011 lawsuit filed by a judge after the Legislature passed and the Governor signed into law P.L.2011, c.78. That law increased the contributions taken from current and future justices' and judges' salaries for their benefits, starting in October 2011. The lawsuit, which was appealed to the New Jersey Supreme Court, argued against taking the higher contributions from currently appointed justices and judges, citing language in the Constitution that their salaries cannot be reduced during their appointed terms.</p> <p>The amendment clarifies that such contributions, set by law, may be taken from justices' and judges' salaries during their terms. It would also allow for the higher contributions set by P.L.2011, c.78 to be deducted from current and future justices' and judges' salaries.</p>

PUBLIC QUESTIONS TO BE VOTED UPON

STATE PUBLIC QUESTION No. 1 BUILDING OUR FUTURE BOND ACT	STATE PUBLIC QUESTION No. 2 CONSTITUTIONAL AMENDMENT ALLOWING CONTRIBUTIONS TO BE TAKEN FROM JUSTICES' AND JUDGES' SALARIES FOR THEIR EMPLOYEE BENEFITS
<p>Do you approve the "Building Our Future Bond Act"? This bond act authorizes the State to issue bonds in the aggregate principal amount of \$750 million to provide matching grants to New Jersey's colleges and universities. Money from the grants will be used to build, equip and expand higher education facilities for the purpose of increasing academic capacity.</p> <p>INTERPRETIVE STATEMENT Approval of this act will allow the State to issue bonds in the total principal amount of \$750 million. Proceeds from the bonds will be used to provide grants to New Jersey's public and private colleges and universities to construct and equip higher education buildings to increase academic capacity. Bond proceeds will be allocated as follows: * \$300 million for public research universities; * \$247.5 million for State colleges and other State universities; * \$150 million for county colleges; and * \$52.5 million for private institutions with an endowment of \$1 billion or less.</p> <p>Public and private colleges and universities which receive grants will be required to provide funds to support 25% of a project.</p>	<p>Do you approve an amendment to the New Jersey Constitution, as agreed to by the Legislature, to allow contributions set by law to be taken from the salaries of Supreme Court Justices and Superior Court Judges for their employee benefits?</p> <p>INTERPRETIVE STATEMENT This amendment clarifies the Legislature's authority to pass laws requiring contributions be taken from the salaries of Supreme Court Justices and Superior Court Judges for their employee benefits. These benefits include their pension and health care coverage.</p> <p>The amendment responds to a question raised in a 2011 lawsuit filed by a judge after the Legislature passed and the Governor signed into law P.L.2011, c.78. That law increased the contributions taken from current and future justices' and judges' salaries for their benefits, starting in October 2011. The lawsuit, which was appealed to the New Jersey Supreme Court, argued against taking the higher contributions from currently appointed justices and judges, citing language in the Constitution that their salaries cannot be reduced during their appointed terms.</p> <p>The amendment clarifies that such contributions, set by law, may be taken from justices' and judges' salaries during their terms. It would also allow for the higher contributions set by P.L.2011, c.78 to be deducted from current and future justices' and judges' salaries.</p>
