STATE PUBLIC QUESTION
CONSTITUTIONAL AMENDMENT TO DEDICATE ASSESSMENTS ON WAGES BY THE STATE TO THE PAYMENT OF EMPLOYEE BENEFITS

Shall the amendment to Article VIII, Section II of the State Constitution, agreed to by the Legislature, which: prohibits collection by the State of assessments based solely on employee wages and salaries for any purpose other than providing employee benefits; dedicates all employer and employee contributions collected for any employee benefit fund, and all returns on investments of those contributions, to the purpose of that fund; and prohibits any transferring, borrowing, appropriating or using of those contributions or returns for any other purpose, be approved?

INTERPRETIVE STATEMENT

This proposed constitutional amendment prohibits the collection by the State of assessments based on employee wages and salaries for any purpose except paying employee benefits (or making other employee-authorized or federally required payments, in the case of the State's own employees), dedicates all contributions made to the unemployment compensation fund, the State disability benefits fund, or any other employee benefit fund, and all returns on investments of those contributions, to the purpose of that fund, and prohibits the use of those contributions or returns for any other purpose. The requirements of this proposed amendment do not apply to the gross income tax, which is exclusively dedicated by the Constitution to the purpose of reducing or offsetting local property taxes.

GREEN BROOK
LOCAL QUESTION

Shall the Township Committee of the Township of Green Brook adopt an ordinance to reestablish the "Open Space Trust Fund", which shall be funded annually through the collection of local property taxes in the amount of one-half cent ($.005) per one hundred dollars ($100.00) of equalized assessed value, for a period of ten (10) years?

INTERPRETIVE STATEMENT

A "yes" vote will reestablish the Open Space Trust Fund for an additional ten years.

Green Brook's highly successful Open Space Trust Fund, which was established in 1998, has been used to acquire, develop, and maintain land for conservation, historic preservation, and recreation. In addition to enhancing the natural beauty of the community and preserving environmentally sensitive areas, the Trust Fund has reduced development, limited congestion, and lowered financial pressure on the Township's school system.

The reauthorized Open Space Trust Fund will be used for additional acquisition, development, and/or maintenance of lands, easements, development rights or other interests in real estate; a match for grants for the acquisition of interests in real estate; or as payment of debt service on indebtedness issued or incurred by the Township for the purpose of preserving or reclaiming land as open space for conservation, historic preservation, and/or recreation. For every $100,000 of equalized assessed value, the tax would remain at $5.00 per year, which is $10.00 less than the rate was for the first 10 years.

PUBLIC QUESTION TO BE VOTED UPON

STATE PUBLIC QUESTION
CONSTITUTIONAL AMENDMENT TO DEDICATE ASSESSMENTS ON WAGES BY THE STATE TO THE PAYMENT OF EMPLOYEE BENEFITS

Shall the amendment to Article VIII, Section II of the State Constitution, agreed to by the Legislature, which: prohibits collection by the State of assessments based solely on employee wages and salaries for any purpose other than providing employee benefits; dedicates all employer and employee contributions collected for any employee benefit fund, and all returns on investments of those contributions, to the purpose of that fund; and prohibits any transferring, borrowing, appropriating or using of those contributions or returns for any other purpose, be approved?

INTERPRETIVE STATEMENT

This proposed constitutional amendment prohibits the collection by the State of assessments based on employee wages and salaries for any purpose except paying employee benefits (or making other employee-authorized or federally required payments, in the case of the State's own employees), dedicates all contributions made to the unemployment compensation fund, the State disability benefits fund, or any other employee benefit fund, and all returns on investments of those contributions, to the purpose of that fund, and prohibits the use of those contributions or returns for any other purpose. The requirements of this proposed amendment do not apply to the gross income tax, which is exclusively dedicated by the Constitution to the purpose of reducing or offsetting local property taxes.

BOROUGH OF WATCHUNG
LOCAL QUESTION

Shall the Borough of Watchung amend its current regulation imposing an annual levy of $0.02 per one hundred ($100) dollars of assessed value to a new standard of imposing an annual levy *up to and not exceeding* $0.02 per one hundred ($100) dollars of assessed value, to be deposited in a "Municipal Open Space, Recreation and Farmland and Historic Trust Fund" and to be used exclusively for the purposes of acquiring, developing and maintaining lands for recreation and conservation purposes; acquiring farmland for farmland preservation purposes, and historic preservation of historic properties, structures, facilities, sites, areas or objects and the acquisition of such properties for historic preservation purposes?

INTERPRETIVE STATEMENT

If this question is approved by the voters, the Borough will amend the language in its current regulation mandating an annual levy of $0.02 per one hundred ($100) dollars of assessed valuation to allow the Governing Body the flexibility of collecting an amount from zero ($0.00) cents up to and not to exceed $0.02 cents per one hundred ($100) dollars of assessed valuation. What this means is that a house assessed at one hundred thousand ($100,000) dollars will pay a maximum of $20 per year while a house assessed at two hundred thousand ($200,000) dollars will pay a maximum of $40 per year in additional property taxes, however, action taken by the Mayor and Council may implement collection of a lesser amount as determined by need. This money will be deposited into a "Municipal Open Space Trust Fund" and shall be used exclusively for the following purposes as determined by the Mayor and Council: acquisition, development and maintenance of lands for recreation and conservation purposes; acquisition of farmland for farmland preservation purposes; historic preservation of historic properties, structures, facilities, sites, areas or objects and the acquisition of such properties, structures, facilities, sites, areas or objects for historic preservation purposes; or payment of debt service or indebtedness used or incurred by the Borough for any of the purposes set forth above. Lands acquired by the Borough using these revenues shall be held in trust and shall be used exclusively for the purposes described above.
